**FOR IMMEDIATE RELEASE**

## **PAVING ON STATE ROUTE 58 NEAR HINKLEY**

**San Bernardino County** - Caltrans will begin a paving and fog seal project on State Route 58 (SR-58) on Monday, September 17. The work will take place from 11 miles east of State Route 395 (SR-395 – Kramer Junction) to 9 miles west of Hinkley Road in the four-lane section of SR-58.

The work hours are Monday through Friday from 6:00 a.m. to 6:00 p.m. One of two lanes will be closed during the work hours for up to two-mile increments.

The project is expected to be complete by the beginning of November 2007. Paying attention to the “Cone Zone” will improve your reaction time. That’s the time it takes to recognize a hazard and react to it.

The life you save may be your own when you “Slow for the Cone Zone”.
